Principal I/C

Objectives of Building, Purchase and Construction Committee.

The quality of education in any institution depends to a large extent on the availability of infrastructure, primarily buildings and IT Facilities in the institution. In order to help the Colleges administration in the construction/renovation of the buildings, purchase of goods in a transparent way, Hatichong College constituted a Building, Purchase and Construction committee to develop the infrastructure and IT facilities in the college. The committee helps the college administration in purchase of goods and construction works. It scrutinizes the quotations invited from the firms /suppliers/printers in case of purchasing and approves the lowest quotation for an order. The committee consists of the Principal as the Ex- Officio Chairman, Junior Engineer (PWD Building) as Technical Member, three members from teaching staff and two members from Non-teaching Staff (Including Librarian).

This committee serves for development and maintenance advisory unit for the college. It includes canteen, housekeeping, water management, security, campus ambience, civil work, IT facilities etc. This committee also works for communication media of the college which includes internet and intercom. The main aim of this committee is to work for all stake holders of the college, to give best infrastructural and its related facilities.
