

4.1.1 Availability of adequate Infrastructure and Physical Facilities viz, Classrooms, Laboratories, ICT facilities, Cultural Activities, Gymnasium, Yogu Centre etc. in the institution.

Hatichong College strives to provide its students with the necessities for an effective teaching-learning environment. The college authority is ready to provide facilities whenever required and is ready to upgrade the existing facilities as per the demand of the students. Being a newly provincialized college, the institution is equipped with some of the most needed facilities at the moment and is ready for further up-gradation. To meet the needs of the growing number of rural students, the college upgraded three general classrooms with ICT facilities. The college authority also trying their level best to convert more classrooms in to ICT enabled classrooms for effective teaching learning process.

The Cultural Committee of Hatichong College has been very active and trying their level best to promote the cultural activities at the college to create cultural awareness among the students. Lectures, Get-togethers, Cultural Festivals, Social Campus Events, Volunteer/Community Activities, Sports events, Conferences and Career Fairs ae some opportunities available to the students to network and create opportunities for themselves.
