From the Desk of the Principal

A warm welcome to all

WARM WELCOME TO THE FRESHERS... At the outset, I would like to express my gratitude to the concerned authority for having a privilege to serve as the Principal of Hatichong College that was established in 1988. The College has an adequate infrastructure to meet up all the requirements of the student community. It is my pleasure to welcome you to our esteemed institution, where we strive to nurture academic excellence and holistic development. We are committed to provide a conducive learning environment, innovative teaching methodologies, and opportunities for personal and professional growth. I hope, the students, the teaching and non-teaching staff of Hatichong College will comprehend and appreciate the higher dream of education of Lt. Rameswar Bora and materials his dream by turning the college into a front ranking degree college of Assam. In this comprehensive prospectus, you will find detailed information about our undergraduate programs, faculty expertise, and extracurricular activities. We take pride in our commitment to fostering critical thinking, creativity, and leadership skills among our students. In the world of Science and technology, we are vested with the responsibility of moulding today's youth and must ensure their bright and well secured future. As you embark on this exciting journey of higher education, I encourage you to explore all that our college has to offer and envision the possibilities that await you. Whether your aspirations lie in academia, skill, or entrepreneurship, we are here to support and empower you every step of the way. I have the full reliance upon the teachers and the employees of our College in leading the College to come all the dreams true. Lastly on behalf of the entire family of this college, I would like to welcome each and every student to this glorious institution of knowledge. I extend my best wishes to you as you consider joining our vibrant academic community. Together, let us embark on a transformative educational experience that will shape your future and inspire you to reach new heights of success.

With Regards,

Principal, Hatichong College

Historical background

Established on **1st August 1988** near Kujidah H.S. School in Nagaon district, Assam, Hatichong College is the only institution of higher education serving the three Mouzas of Hatichong, Silpukhuri, and Mikirbheta (Morigaon district). It began with **45 students and 10 teachers** and moved to its permanent campus in **1993**, which now spans **5.95 acres** and enrolls around **663 students** in the B.A. program.

Affiliated with **Gauhati University** and recognized under **UGC Sections 2(f) and 12(B)**, the college earned a **NAAC B++ grade (CGPA 2.81)** in May 2023. Importantly, Hatichong College has **implemented the FYUGP (Four-Year Undergraduate Programme) under the NEP 2020**, from 2023 aligning with national reforms in higher education.

It offers Major and Minor courses in **Assamese, English, Economics, Political Science, Education, History, and Geography**, along with certificate courses in **Computer Education** and **Beautician Training**. With **three ICT-enabled classrooms** and a library of over **11,000 books**, the college is committed to advancing rural education. Over the years, it has produced numerous alumni excelling in various fields, upholding its role as a catalyst for rural empowerment.

Vision

“Our vision is to be a premier institute of higher education that inspires excellence, innovation, and positive transformation in individuals and communities, creating a lasting impact locally and globally.”

Mission

“Our mission is to provide a transformative educational experience that equips students with the knowledge, skills, and values necessary to thrive in a dynamic global society, while addressing the unique needs and aspirations of our rural communities.”.

Management of the College

Hatichong College is governed by a governing body constituted with the recommendation of the government of Assam as per provision of Govt. of Assam. The members of the Governing Body of the College:

Programs/Courses in Hatichong College

From the Academic Session, 2023-24, Hatichong College has implemented the FYUGP (Four Years under Graduate Programme) in Arts under Gauhati University which is based on the National Education Policy (NEP) 2020

Courses of the study:

- a. Four year degree course in Arts
- b. Add on course on Akhar jotani, Grammar and Composition, Rural Development, Stress management and Gram Panchayat Activities.
- c. Certificate Course on computer (self-financing)

The 4 year degree course (FYUGP):

The FYUGP is based on a new curricular framework as envisaged under the National Education Policy 2020 (NEP 2020) by the University Grants Commission (UGC) on the Choice Based Credit System (CBCS) mode. Basically, the FYUGP is based on the system of education under liberal arts. The main features of FYUGP are as follows:

- Duration: NEP's FYUGP is a 4 year bachelor degree program(with multiple exit options). But it has flexibility for students in entering and completing the degree, diploma or certificate as he/she likes.

- Exits:

- 1 year → Certificate
- 2 years → Diploma
- 3 years → Bachelor's Degree
- 4 years → Bachelor's Degree with Honours

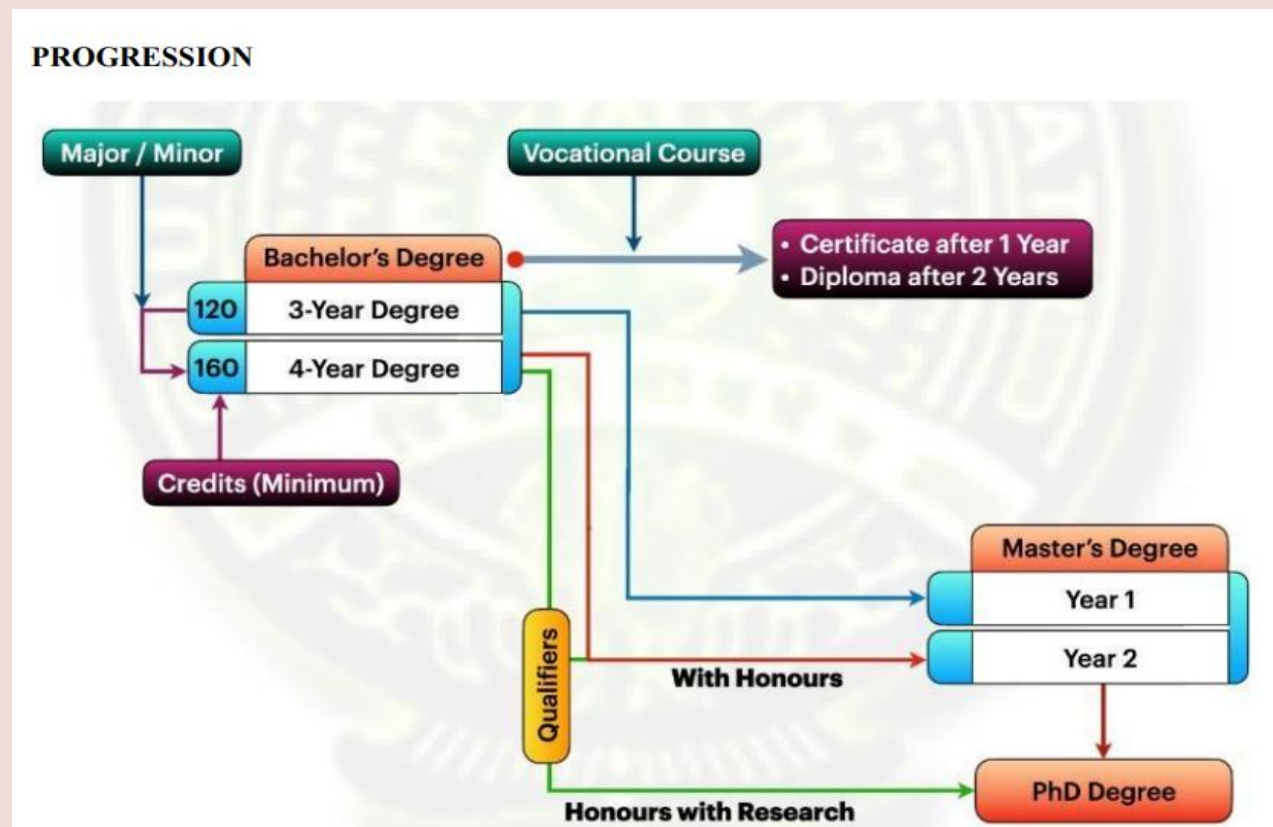

Progression:

- After 3 years → Master's (2 years)
- After 4 years → Master's (1 year) or direct PhD (for exceptional students)

Students choose one Major and two Minors, with flexibility to switch within guidelines.

• Progression/Benefit of the program:

If a student exits the FYUGP program after 3 years, s/he will need to take admission into the first year of a 2 years Master's degree course. On the other hand, if a student fully completes the FYUGP, s/he may take admission into the 2nd year of a Master degree course and need to complete only one year to get a Master's degree.

Semester Details

• First Year (Semester I & II)

In the first year, one studies three different core subjects – one paper of each subjects per semester. Besides, one needs to study a host of common subjects that are designed as per UGC's Curricular Framework.

• Second Year (Semester III & IV)

– Semester III In the third semester, one will usually continue with the same core subjects that have already been chosen in the first year and again study some common subjects. In the third semester, one will also take a step forward to study the favourite subject by declaring one of the core subjects as a Major subject and other two as Minors. However, the structure of the programme remains same as in first & second semesters.

– Semester IV

From Semester IV onwards, one will primarily study the Major subject by taking at least four papers, some of which may be elective depending on the subject concerned. Same as the first & second semesters, one will have the option of changing the Major in fourth semester to any one of the other two Minors as well, even if one has already declared a Major in the third semester. However this has the condition that the new Major subject of choice has vacancy.

• Third Year

In the third year, one will continue to study the Major subject to complete a full set of 15 papers in Majors.

• Fourth Year

If one intends to progress to the fourth year, s/he will be devoting the time in studying advanced courses which will be at the level of initial Master's degree papers. Besides, one will also have the opportunity of engaging into research work with the faculty members.

Besides the above, there are some more unique features of the FYUGP. They are from fourth to sixth semester; one will have time for 4 optional open core credits per semester, which one can utilise to study either of the Major or two Minors. They can also come handy, if one had changed a Minor subject in between.

- **Double Major**

If a student is ready to do some more hard work, s/he can take some extra online courses (from designated sources only) related to the Minors and can then convert one of the Minors to a second Major by the time one completes 3 / 4 years of study. This is over and above the first Major. In this case, one will have a Bachelor's Degree with Double Major.

- **ABC (Academic Bank of Credits)**

The GU-FYUGP is directly connected to the ABC (Academic Bank of Credit) as notified by the UGC. All credits a student earn at the end of an examination in GU-FYUGP, will be deposited in the ABC by the university. As such it is mandatory that a student under GU-FYUGP register for the ABC as notified by the regulatory agencies.

(Aadhaar Card is mandatory for all the admitted students as it will be required for all purposes like creation of ABC, Registration with University, etc. Those who do not have Aadhaar Card, they must avail it within two/three weeks from date of admission).

Eligibility for admission into FYUGP

- a. A student who has passed 12th standard or equivalent examination in any stream from a recognized institution.
- b. Admission to the FYUGP will be based on the preference of Major, if any. In case a student does not want to opt for any Major, s/he will be admitted on the basis of preferences of the subject combinations.
- c. Admission to a Programme or Major will be subject to availability of the subject and capacity of a college / department.

d. No student shall be eligible for admission to a Programme in any discipline under the FYUGP unless s/he fulfills the pre-requisites of courses as fixed by the university.

Reservation

Statutory reservation policy of the Government of Assam shall be followed in case of selection of eligible candidates for admission. Preference will be given to the students having proficiency in Extra- curricular activities under rules.

Total no. of seats available in Major Total no's seats available in Minor

ASM	ENG	ECO	PSC	GGY	HIS	ECO	PSC	EDN	ENG	ASM
104	26	26	78	80	100	78	150	150	110	200
